At this age, many toddlers may not be cooperative when asked to do things. You may need to try the following activities with your child more than one time. If possible, try the activities when your child is cooperative. If your child can do the activity but refuses, mark "yes" for the item.

**COMMUNICATION**

1. Without your showing him, does your child point to the correct picture when you say, “Show me the kitty,” or ask, “Where is the dog?” (She needs to identify only one picture correctly.)

2. Does your child imitate a two-word sentence? For example, when you say a two-word phrase, such as “Mama eat,” “Daddy play,” “Go home,” or “What's this?” does your child say both words back to you? (Mark "yes" even if her words are difficult to understand.)

3. Without your giving him clues by pointing or using gestures, can your child carry out at least three of these kinds of directions?

   - a. “Put the toy on the table.”
   - b. “Close the door.”
   - c. “Bring me a towel.”
   - d. “Find your coat.”
   - e. “Take my hand.”
   - f. “Get your book.”

4. If you point to a picture of a ball (kitty, cup, hat, etc.) and ask your child, “What is this?” does your child correctly name at least one picture?

5. Does your child say two or three words that represent different ideas together, such as “See dog,” “Mommy come home,” or “Kitty gone”? (Don’t count word combinations that express one idea, such as “bye-bye,” “all gone,” “all right,” and “What’s that?”) Please give an example of your child’s word combinations:
